PROFESSIONAL EXPERIENCES

BERTONE SPA. *A NICE ANECDOTE DURING THE BEIJING EXPERIENCE, IN WHICH I FELT LIKE A FLEA IN THE UNIVERSE IS THAT RELATED TO THE MOMENT IN WHICH THE WORKERS FOR THE ASSEMBLY OF THE STAND, WEARING VERY COMFORTABLE SLIPPERS PRESENTED THEMSELVES TO ME. A TYPICAL CHINESE CUSTOM THAT IS STILL IN USE TODAY GAVE BACK TO ME HOW BIG THEY ARE IN SMALL DETAILS.*

ENI GROUP SPA. *I MIGHT SEEM SILLY, BUT I FELT IMPORTANT AT LOUVRE, NOT ONLY FOR HAVING MANAGED A COMPLEX SET-UP IN A VERY SHORT TIME, BUT FOR ENTERING AN AREA OF THE MUSEUM INACCESSIBLE TO THE PUBLIC AND WITHOUT EVEN HAVING MADE A LONG TAIL: I WAS A DIRECTOR WITH SPECIAL PASS!*

ITALIAN ARMY. *STARTING TO COLLABORATE WITH THE ITALIAN ARMY, AS A SPECIAL RESERVE WITH THE RANK OF MAJOR, TAUGHT ME THAT KEEPING THE POINT ON A PROJECT, GIVES TO AN IDEA THE STRENGTH TO BECOME A REALIZED IDEA. THE PUBLIC OF AN EXHIBITION IS REALLY VARIED AND TO CREATE A SUCCESSFUL EVENT IS TO MAKE IT EASY FOR EVERYONE TO UNDERSTAND.*

PIEDMONT REGION. *IF I HAD TO MAKE A CHOICE ABOUT WHICH COLLABORATION THEY ALLOWED ME TO EXPRESS MYSELF WITH GREATER FULLNESS OF ROLES, IN THIS FIRST DOZEN YEARS I WOULD CERTAINLY PUT THE PIEDMONT REGION ON THE PODIUM.*

FONTANAFREDDA. *ONE THING IS CERTAIN: THE EXPERIENCE RELATING TO THE CONSTRUCTION OF THE EXTERNAL WINE-BAR IS STILL UNFORGETTABLE, ALSO BECAUSE I TOOK CARE NOT ONLY OF THE INTERIOR DESIGN AND LIGHTING DESIGNER, BUT ALSO OF THE STRUCTURAL PART OF THE SITE PROJECT; WITH THIS POSITION I DEFINITELY FELT SENIOR.*

ILTI LUCE SRL [Turin, 1998-2005]
LIGHTING PROJECT DESIGNER, 1998/2000
EUROLUCE EXHIBITIONS 2000/2005

Starting in 1998 I have soon fundamental opportunities: to express myself through the use of light and then, becoming a young project manager, also the complete responsibility for the coordination of complex projects in the field of exhibition design, a professional area that I deeply love even today.

JUNIOR ARCHITECT
RESIDENTIAL AND
CONSERVATIVE BUILDINGS

DARIO VALLE ARCHITECTURE STUDIO [Turin, 1994-1998]
When I was still spending my days in the wonderful Valentino castle, the seat of Architecture Faculty, Dario Valle gave me the opportunity to work in the field of conservation restoration. Here I have taken the first basic steps to understand how deep the history of the world resides in architecture as a temporal mirror in which humanity is reflected.
