

Andrea Rossi | Architect and Environmental Consultant

@. andrearossi.jmy@gmail.com | m. +44-(0)7387812245 or +39-3462196241 | dob. 31-05-1987

Summary

Andrea Rossi is an architect specialised in sustainable environmental design (MArch at the Architectural Association School of Architecture). Andrea currently works as Architect and Environmental Consultant being constantly involved in architecture competitions and private design commissions and he has more than 5 years of experience. Registered as an architect in UK and Italy and chartered member of the RIBA, Andrea has joined ChapmanBDSP since 2013 and has previously collaborated among others with Kengo Kuma and Associates Europe and Studio Pession Associato. Andrea is Visiting Lecturer at Polytechnic University of Turin School of Architecture and worked as Teaching Assistant since 2013. Andrea received recently the Best Poster Award at PLEA 2015 Architecture in (R)evolution international conference.
