Professional experience

- Feb 2019 - ongoing Licensed Architect - Urban Planner
Ordine degli Architetti PPC di Torino
I'm a member of Italian Society of Professional Architect - Urban Planner, licensed to practice irtaly and throughout the European Union.
- Feb 2018 - ongoing Junior Architect
Studio Mellano Associati (SMA), Turin (Italy)
Employee at the architectural firm in charge of feasibility analyses and evaluation of environmental and social impact that new projects may have in their urban context. Preliminary studies, such as GIS analysis, exterior designing, reviews of Building codes and binding Master plans at different levels (national, regional and local), are conducted for each project commissioned by external clients, together with careful works supervision, maintaining a continuous dialogue with the clients, so as meet their needs and desires.
- Feb 2017 - Jun 2017 Intern
Vaxholms Stad, Stockholm (Sweden)
Intern at the Building Law and GIS Unit of the municipality headquarter, responsible for the development of a 3D interactive model of the whole municipality's urban structure, shaped by FME and GIS technologies.
- 2014 - 2015 Customer service
Teatro Biondo Stabile, Palermo (Italy)
Employee in charge of receiving and welcoming the audience for operas, ballets and other cultural events played in the theatre
- 2013 - 2014 Customer service
Teatro Massimo, Palermo (Italy)
Employee in charge of receiving and welcoming the audience for operas, ballets and other cultural events played in the theatre
- 2012 - 2013 Volunteering
Servizio Civile Nazionale - Government organization, Palermo (Italy)
 - Emails and phone communications with the organization's partners
 - General office tasks and correspondence management
 - Education and cultural activities with minors

Education

- 2015 - 2017 Master's degree (MA) in Territorial, Urban, Environmental and Landscape Planning
Politecnico di Torino, Turin (Italy)
 - Themes: environmental sustainability, social inclusion, climate change, energy efficiency, mobility, land take reduction, landscape and heritage preservation.
 - Final Thesis: Potential of 3D city models in planning activities: Application in a Swedish municipality
 - Final grade: 110/110 (equivalent of 4.0 GPA)
- Jul 2017 - Jul 2017 CDO - Participant (UI/UX designer)
European Innovation Academy

- Entrepreneurship summer program focused on IT innovations, which provided an experiential learning opportunity that affords deep insight into the start-up environment.
- The application developed is 'Together': www.facebook.com/togethertravel/
